

Search for publications in the VIRT A publication information service

The information on the most important publications for the project (no more 10 publications for individual applications, no more than 20 for consortium project) filled in on the tab *Most relevant publications*. The information is retrieved from the VIRT A publication information service (*Find publication*). If you cannot find a publication in the VIRT A publication information service, you may also enter its details manually (*Add publication*.) The most relevant publications are printed on the application PDF file according to author and year. You must also append complete list of publications to the application on the *Appendices* tab.

The screenshot shows the VIRT A application interface. At the top, there is a navigation bar with tabs: Desktop, **Open calls**, My applications, Reports, Reviews, Commitments, My account, and Log out. Below this, there is a sidebar with links: Call for applications, Guidelines for this funding opportunity, User guide, Questions and feedback, Your application in PDF format, and Show research plan. The main content area has a tabbed interface with 15 tabs: 1. Personal data/CV, 2. Consortium parties, 3. General description, 4. Abstract, 5. Research plan, **6. Most relevant publications**, 7. Mobility, 8. Affiliations, 9. Ethical aspects, 10. Funding for the project, 11. Salary costs for PI, 12. Public description of project, 13. Appendices, 14. Submit application, and 15. Authorisation. The '6. Most relevant publications' tab is active. It shows a call ID 'Testihaku_tuotanto 10082018' and a timer 'Time left to complete the application: 16 day(s) 4 hour(s) 36 minute(s) 15 second(s)'. Below the timer are three buttons: 'Save and go back', 'Save', and 'Save and continue'. The 'Publications' section has a checkbox for 'No publications' and a red-bordered box with the text 'Add at least one publication or select "No publications".'. Below this is a table with columns: Important, Year of publication, Type of publication, Authors of publication, Name of publication, and Name of journal/series. At the bottom of the table are two buttons: 'Find publication' and 'Add publication'. At the very bottom of the page, there is a footer: 'Last changed: 14.08.2018 11:38 / user_50687@sara.tst'.

To search for publications in the VIRTAservice, click on *Find publication*, enter the author's name, and click on *Search*. Please note that the publication search may take a few minutes.

The screenshot displays the VIRTAservice application interface. At the top, a green navigation bar contains the following menu items: Desktop, Open calls, My applications, Reports, Reviews, Commitments, My account, and Log out. Below the navigation bar, a sidebar on the left lists several links: Call for applications, Guidelines for this funding opportunity, User guide, Questions and feedback, Your application in PDF format, and Show research plan. The main content area features a grid of 15 numbered tabs: 1. Personal data/CV, 2. Consortium parties, 3. General description, 4. Abstract, 5. Research plan, 6. Most relevant publications, 7. Mobility, 8. Affiliations, 9. Ethical aspects, 10. Funding for the project, 11. Salary costs for PI, 12. Public description of project, 13. Appendices, 14. Submit application, and 15. Authorisation. Below the tabs, a text field contains the call number 'Call: Testihaku_tuotanto 10082018', and a timer indicates 'Time left to complete the application: 16 day(s) 4 hour(s) 32 minute(s) 42 second(s)'. Three buttons are visible: 'Save and go back', 'Save', and 'Save and continue'. A modal window titled 'Search for publications in the VIRTAservice publication information service' is open, displaying instructions: 'The search covers data on authors, that is, all authors that are listed in the original publication. The search will yield the same result when searching with First name Surname and Surname First name. You can also search with part of a name, e.g. First Surn.' Below the instructions, there is a text input field labeled 'Name of author' containing the text 'forsström laura' and a 'Search' button. At the bottom right of the modal, there are 'Cancel' and 'Move to form' buttons.

Tick the publications that you want to transfer to the application, then click on *Move to form* and click on *Save* on the tab.
