

Changing Society and Active Citizenship - Strategic Research Programme 2017-2021

Review panel: 9-10 February 2017, Helsinki

Chair

Research director Per Mickwitz
Strategic Research Council; Finnish Environment Institute

Members

Participation Expert Edward Andersson

Professor Sara Bentivegna
La Sapienza Università di Roma

Doctor Isabel da Costa
CNRS – ENS Cachan

Director Aaro Harju
Citizen's Forum

Professor emeritus Christer Jönsson
Lund University

Professor Per Læg Reid
University of Bergen

Research and development director Kaija Majoinen
The Association of Finnish Local and Regional Authorities

Professor William Maloney
Newcastle University

Senior Project Manager Jeremy Millard
Danish Technological Institute

Professor Katariina Salmela-Aro
Strategic Research Council; University of Helsinki

Professor Peter van den Besselaar
VU University Amsterdam

Keys to sustainable growth - Strategic Research Programme 2018 - 2023

Review panel, 9-10 February 2017

Chair

Director Jaakko Kiander
Strategic Research Council

Members

Professor Torben Bager
University of Southern Denmark

Head of strategic planning and corporate communication, Giulia Gregori
Novamont S.p.A

Chief executive officer, co-founder Maija Ikonen
Gold&Green Foods Ltd

Professor Ewart Keep
University of Oxford

Director Petra Lundström
Strategic Research Council

Professor Gert-Jan Nabuurs
Wageningen University

Chief executive officer, founder Dr. Jussi Nykänen
GreenStream Network Ltd

Director Leena Sarvaranta
Strategic Research Council

Professor Maria Savona
University of Sussex

Associate professor Reinhard Steurer
University of Natural Resources and Life Sciences Vienna

Professor David Wield
University of Edinburgh

Adaptation and Resilience for Sustainable Growth - Strategic Research Programme 2018 - 2023

Review panel, 16-17 February 2017, Hotel Paasitorni, Helsinki

Group A

Chair Professor Sixten Korkman, Strategic Research Council

Vice-chair Professor Markku Kulmala, Strategic Research Council

Members

Senior Policy Officer Christine Bunthof, Wageningen UR

Research Leader Jens Hesselbjerg Christensen, Danish Meteorological Institute

Professor Marc Hanewinkel, University of Freiburg

Leading Expert Eeva Hellström, Sitra - The Finnish Innovation Fund

Assistant professor Matthias Heymann, Aarhus University

Working Group Leader Christian Kuhlicke, Helmholtz Centre for Environmental Research (UFZ)

Senior Researcher Dominique Barjolle Musard, ETH Zurich

Professor Jon Nordberg, Stockholm Resilience Centre

Director Pekka Ripatti, Energy Authority

Professor Andreas Thiel, University of Kassel

Group B

Chair Professor Juho Saari, Strategic Research Council

Research Fellow Andrea Filippetti, National Research Council Italy

Associate Professor Martin Hyde, Swansea University

Head of the forecasting Juha Kilponen, Bank of Finland

Professor Ellen Moors, Utrecht University

Professor Sarah Vickerstaff, University of Kent

Director Claudia Wild, Ludwig Boltzmann Institute for Health Technology Assessment (LBI-HTA)

Changing Society and Active Citizenship - Strategic Research Programme 2017–2021

Full applications

Review panel on scientific quality

29 May 2017, Helsinki

Chair

Prof. William Maloney (Newcastle University)

Members of the panel:

Dr. Isabel da Costa (ENS Cachan)

Prof. Peter van den Besselaar (University of Amsterdam)

Prof. Håkan Johansson (University of Lund)

Prof. Per Laegreid (University of Bergen)

Supporting Reviewers:

Prof. Sara Bentivegna (University of Rome)

Prof. emer. Christer Jönsson (University of Lund)

Changing Society and Active Citizenship - Strategic Research Programme 2017–2021

Full applications

Review panel on societal relevance and impact

2 June 2017, Helsinki

Chair

Senior Project Manager Jeremy Millard
Danish Technological Institute

Members

Participation Expert Edward Andersson

Director Aaro Harju
Citizen's Forum

Leading Specialist Inga Nyholm
The Finnish Innovation Fund SITRA

2018 Programmes – Full applications

Keys to Sustainable Growth & Adaptation and Resilience for Sustainable Growth

Chairs of the Scientific Panels

Environmental panel: Professor Marc Hanewinkel, University of Freiburg, Germany

Societal panel: Professor David Wield, Innogen Institute, University of Edinburgh

Members of the Scientific Panels

Professor Torben Bager, University of Southern Denmark

Research fellow Andrea Filipetti, National Research Council of Italy

Group Leader Dr. Christian Kuhlicke, Helmholtz Centre for Environmental Research

Professor Mieczyslaw Muraszkiwicz, Warsaw University of Technology

Professor Gert-Jan Nabuurs, Wageningen University

Professor Jon Norberg, Stockholm Resilience Centre

Associate professor Kirsten Elisa Petersen, Aarhus University

Associate professor Dominic Stead, Delft University

Professor Sarah Vickerstaff, University of Kent

External reviewers

Professor Ben Berkhout, University of Amsterdam

Senior policy officer Dr. Christine Bunthof, Wageningen University

Professor Irene Yu-Hua Gu, Chalmers University of Technology

Professor Robert Gurney, Reading University

Professor Andrew Hoskins, University of Glasgow

Chairs of the Relevance Panels

Environmental panel: Professor Wim Halfkamp, Erasmus University

Societal panel: CEO, Dr. Jussi Nykänen, GreenStream Network Ltd.

Members of the Relevance Panels

Senior policy officer Dr. Christine Bunthof, Wageningen University

Research fellow Dr. Karina Barquet, Stockholm environment institute

Honorary Fellow Dr. Cathy Garner, University of Lancaster, The Work Foundation

Senior Lead Dr. Eeva Hellström, Sitra

Director, Professor Ewart Keep, Oxford University's Centre on Skills, Knowledge & Organisational Performance

Head of Department, Dr. Juha Kilponen, Bank of Finland

Senior Adviser, Päivi Rouvinen-Wilenius, the Finnish Federation for Social Affairs and Health (SOSTE)
