

ACADEMY OF FINLAND FUNDING OPPORTUNITIES

Main funding instruments

Academy Project funding

- Our main funding opportunity
- Promotes the quality and diversity of research and its capacity for regeneration by providing funding for scientifically ambitious research
- Granted to leading-edge researchers and research teams for:
 - salaries
 - materials and equipment
 - travel
 - international collaboration
- Granted for four years

Funding for research posts

ACADEMY PROFESSORS

- are top researchers who contribute to the progress of research within their field
- lead their own research team
- provide supervision to junior researchers and teaching associated with the research
- receive funding for no more than five years at a time

ACADEMY RESEARCH FELLOWS

- have successfully been engaged in scientific research and publishing after earning their doctorate
- are qualified for advanced research tasks or other expert tasks
- carry out independent scientific work
- provide teaching and supervision in their field
- receive funding for five years

POSTDOCTORAL RESEARCHERS

- Have recently earned their doctorate, are gaining qualifications as professional researchers
- Carry out their own research plan, supervise thesis writers
- Eligibility: primarily no more than four years since doctorate
- Receive funding for salary and research costs
- Are granted funding for three years

Academy Programmes

- Support the regeneration of Finnish science by providing funding for research into specific themes
- The themes are defined, for instance, according to a specific research field, target or method

Typical characteristics:

- Science-driven
- Promote science renewal
- International
- Interactive
- Promote collaboration with stakeholders

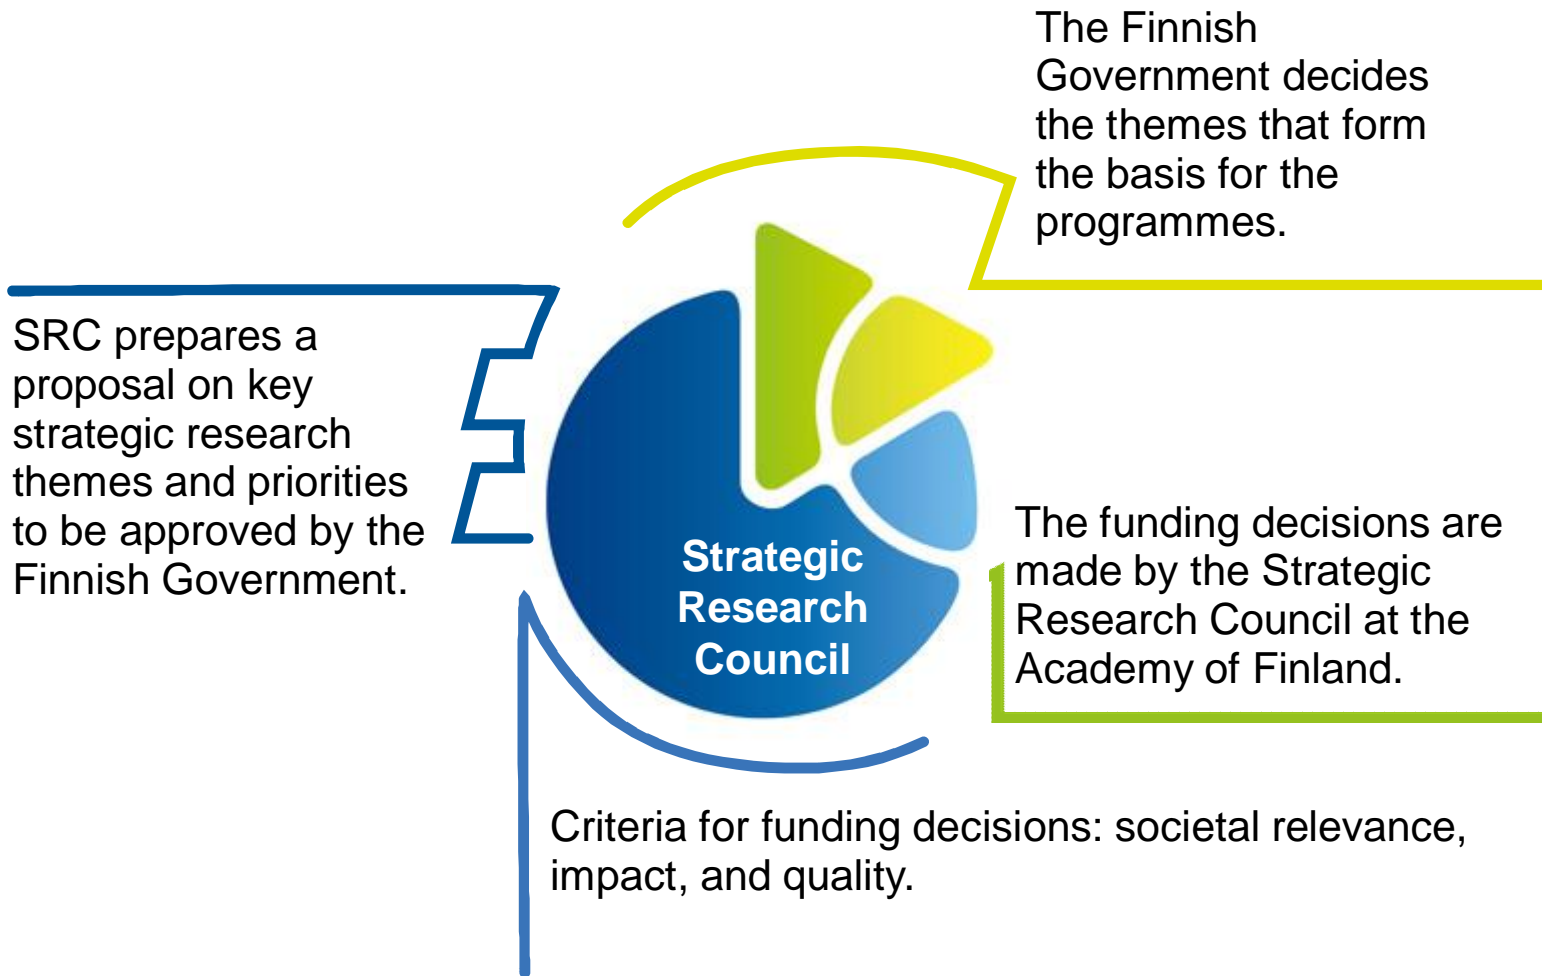

Strategic research
