

# Reviewer statistics on winter call 2024

# Reviewers used in the review or applications

- Applications submitted to the winter call 2024 were reviewed by a total of 715 international reviewers. There were 42 review panels.
- Reviewers who acted as both a panel member and an individual reviewer were only recorded once.
- In 2024, 39% of the reviewers were women, compared to 43% in 2023 and 37% in 2022.
- Analysed by the country of the host organisation, the reviewers worked in 34 countries. The most common countries were the UK, Germany, Sweden, Italy, the Netherlands and Spain.

# Number and percentage of reviewers by country, decision year 2024

Country of reviewer's host organisation	Number of reviewers	Percentage of all reviewers
UK	208	29%
Germany	88	12%
Sweden	63	9%
Italy	45	6%
Netherlands	39	5%
Spain	38	5%
Norway	32	4%
France	28	4%
Belgium	25	3%
Denmark	24	3%
USA	20	3%
Austria	14	2%
Switzerland	14	2%
Ireland	13	2%
Greece	10	1%
Portugal	9	1%
Poland	7	1%
Australia	5	1%
Canada	5	1%
Estonia	5	1%
Other countries in total (countries with fewer than 5 reviewers)	23	3%
Total	715	100%

- Country refers to the country of the reviewer's host organisation, not to their nationality.
- The table is arranged in order of the number of reviewers in each country.
