Overall rating

5

Overall rating given by the panel.

(This example form is Academy Project Funding 2025 13.11.2024 - 08.01.2025)

1 Quality of research

1.1 Scientific quality, novelty and innovativeness of research

Please review:

- scientific quality and significance of project's objectives and hypotheses
- ambitiousness and state of the art of objectives, including approaches or development across disciplines
- (if applicable) scientific added value of consortium for att
- impact of research within academia
- potential for breakthroughs or exceptionally significant ou risk, high-gain research
- project's potential to generate new knowledge, new methods, new technology or new practices

5

Sub-rating given by the panel.

The panel gives sub-ratings, if the overall rating given by the panel is 5 or 6.

Cupcake ipsum dolor sit amet tart brownie biscuit gummi bears. Oat cake icing halvah tiramisu shortbread candy lemon drops gummi bears. Bear claw marshmallow pastry danish pie soufflé. Powder gummies ice cream jelly-o sweet danish jujubes. Brownie jujubes biscuit tiramisu gummies ice cream biscuit lollipop icing. Shortbread chocolate bar cake gingerbread cupcake. Shortbread chocolate bar cake gingerbread cupcake. Soufflé lemon drops candy canes brownie halvah chocolate dragée. (Reviewer2:4)

1.2 Additional comments on aspects of societal effects and impact of the project, if relevant

Topping sugar plum pastry lollipop chocolate cupcake icing
pastry jelly-o gummies candy lollipop halvah. Cake chocolate
topping tiramisu. (Reviewer1)

Donut macaroon dragée pie croissant powder. Bonbon apple
croissant. Topping sugar plum pastry lollipop chocolate cupcake
Shortbread pastry jelly-o gummies candy lollipop halvah. Cake chocolate gummies cookie
marzipan jujubes topping tiramisu. (Reviewer2)

Additional comments by two individual reviewers (reviewer1 and reviewer2) for this section. Text is written before the panel meeting.

2 Implementation

2.1 Feasibility of research plan, including aspects of responsible science

Please review:

- feasibility of project, taking into account extent to which risks
- materials, research data and methods
- working arrangements and management of research tasks
- research environment including research infrastructures
- identified potential scientific or methodological problems
- consideration of research ethics, open access to research publications and data, data management, promotion of equality and nondiscrimination in society at large, and sustainable development within the project

4

Sub-rating given by the panel. The panel gives sub-ratings if the overall grade given by the panel is 5 or 6.

Topping pie jelly halvah tiramisu jelly beans. Chocolate bear claw apple pie cookie marshmallow
dragée macaroon. Bonbon fruitcake lollipop chocolate bar sugar plum wafer topping jelly beans.

3 Review panel's summary assessment of proposal

Section written after the panel discussion.

3.1 Main strengths and weaknesses of proposal and their justifications; possible other remarks TO BE COMPLETED ONLY AT THE PANEL MEETING

Section 3 of the form is applicable only to the top-tier applications selected for discussion during the review panel meeting.

3.1.1 Main strengths and their justifications

- Summary assessment of application's main strengths with justifications

Cupcake ipsum dolor sit amet tart brownie biscuit gummi bears. Oat cake icing halvah tiramisu shortbread candy lemon drops gummi bears. Bear claw marshmallow pastry danish pie soufflé. Powder gummies ice cream jelly-o sweet danish jujubes. Brownie jujubes biscuit tiramisu gummies ice cream biscuit lollipop icing. Chocolate bar powder caramels donut gingerbread chocolate cake fruitcake tart chocolate cake. Cookie tiramisu tootsie roll tootsie roll candy canes donut tart halvah sweet roll. Candy lollipop apple pie liqueur

Panel's summary of the main strengths of the application. Written during the panel meeting, after the panel discussion.

Fruitcake topping tootsie roll toffee caramels bear claw sourie. Jelly pudding caramels sugar plum chupa chups chocolate bar carrot cake powder pastry. Jelly beans chupa chups fruitcake sweet chupa chups tart. Halvah cake jelly danish chocolate pudding cotton candy pie halvah. Gummies jelly beans sesame snaps pie cake liquorice liquorice. Pudding pudding ice cream gummi bears gingerbread donut caramels. Sweet cupcake brownie dragée tart. Biscuit liquorice jelly-o chocolate cake toffee. Danish brownie dessert apple pie biscuit chocolate bar topping bonbon.

3.1.2 Main weaknesses and their justifications

- Summary assessment of application's main weaknesses with justifications

Chocolate macaroon cake biscuit cupcake halvah cake. Cake powder tootsie roll powder lemon drops. Shortbread chocolate bar cake gingerbread cupcake. Soufflé lemon drops candy canes brownie halvah chocolate dragée. Pie cake caramels toffee sweet tiramisu pudding toffee sweet roll lollipop. Cotton candy caramels cake powder cheesecake oat cake bonbon apple pie. Chocolate bar dragée.

Panel's summary of the main weaknesses of the application. Written during the panel meeting, after the panel discussion.

3.1.3 Other remarks (if any):

- For example: possible contradictions in individual reviews, or other relevant remarks from the panel discussion (incl. societal effects and impact)

Topping sugar plum pastry lollipop chocolate cupcake icing gummi bears donut. Shortbread pastry jelly-o gummies candy lollipop halvah. Possible other remarks written by the panel. s. Donut tiramisu. Fruitcake liquorice macaroon macaroon dragée pie croissant powder. Chupa chups soufflé candy tart pudding fruitcake chocolate cake biscuit wafer. Wafer apple pie lollipop tiramisu wafer.

Reviewer1: 5
Reviewer2: 3

Overall ratings given by the individual reviewers (reviewer1 and reviewer2). Ratings are given before the panel meeting.

Your application was ranked xxth of all the xx Academy Project Funding 2025 applications reviewed in this panel. Only applications with the final rating of 5 or 6 are ranked. Altogether, Academy Project Funding 2025 applications addressed to Scientific Council for XXX were reviewed in XX panels.

Applications receiving overall rating 5 or 6 from the panel are usually ranked (not in all funding schemes). If the application is ranked, the ranking number and how many applications were ranked in this panel are shown here.

Name of the decision making body, and in how many panels applications in this funding scheme were evaluated are shown here.
