

Review form

Mobility programmes with foreign funding agencies

September call 2020

Mobility programmes with foreign funding agencies

This form is used in the Academy of Finland's collaboration with India/DBT, Japan/JSPS, Taiwan/MoST and Russia/RAS.

Research council: _____

Name of applicant: _____

Proposal number: _____

Target country: _____

- Inviting researcher to Finland
- Seminar
- JSPS Fellowship

Each application will receive a review from one research council member.

The review is carried out based on three criteria and three levels, by ticking the boxes.

It is important to provide written feedback in the free-text field as it will help the applicant to improve their application.

The review report will be made available to the applicant in connection with the decision.

Review

Criterion	High level	Acceptable level	Insufficient level/ no benefit
Scientific quality of application			
Applicant's/Applicants' merits			
Participation of young researchers, increasing internationalisation of Finnish research environments, other special benefit			

Written feedback

Strengths:

Weaknesses:
