

Profiling areas chosen by universities and funded in PROFI-calls.

Column A shows the university in question.

Column B the name of a profiling area.

Columns from C to G are each profiling call and its funding period starting from the first call.

Check in a cell refers to that university used Academy's funding granted at this call to this profiling area.

Check in parentheses refers to that this profiling area is linked to a profiling area funded in previous PROFI call(s).

Hyphen in a cell refers to that funding was not granted at all or that university did not use funding to this area at this call.

n/a refers to that university did not submit an application
