

Reviewers for Academy of Finland ´s September 2022 call

- Academy Project funding
- Academy Research Fellow
- Clinical Researcher

Data retrieved from the Academy ´s information systems

A total 642 reviewers participated in the review of applications submitted in the September 2022 call. The reviewers are listed by Academy Research Council.

The Research Council for Biosciences, Health and the Environment were enlisted a total of 198 reviewers.

Life01_23:

- Investigador Científico, Miguel Herrero, Institute of Food Science Research
- Professor, Lene Jespersen, Københavns Universitet
- Associate professor, Mirjam Kabel, Wageningen University & Research - Food Chemistry
- Professor, Malgorzata Korzeniowska, Wroclaw University of Environmental and Life Sciences
- Associate Professor, Valeria Mapelli, University of Milan-Bicocca
- Associate Professor, Yvonne Nygård, Chalmers University of Technology
- Director, Paul Ross, APC Microbiome Ireland
- University Lecturer, Francis Butler, University College Dublin
- Professor, Michael Heymann, University of Stuttgart
- Associate Professor, Alessandra Piscitelli, University of Naples Federico II
- Associate Professor, Angela Schwarm, Norwegian University of Life Sciences
- Professor, Nataša Škalko-Basnet, UiT The Arctic University of Norway

Life02_23:

- Professor, Bente Jessen Graae, Norges Teknisk- naturvitenskapelige universitet
- Chair in Soical Entomology, Stephen Martin, University of Salford
- Professor, Amy Pedersen, University of Edinburgh
- Professor, Fredrik Ronquist, Swedish Museum of Natural History
- Reader in Theoretical Ecology, Axel Rossberg, Queen Mary Univeristy of London
- Professor, M. Eric Schranz, Wageningen University, The Netherlands
- Research Professor, Anna Traveset, SPANISH RESEARCH COUNCIL, CSIC
- Professor, Martin Attrill, University of Plymouth
- Professor, Jennifer Gill, University of East Anglia

Life03_23:

- Professor, Gómez Real Francisco, Universitetet i Bergen - UiB
- Senior Researcher, Sara Hägg, Karolinska Institutet

- Professor, Lisbeth Knudsen, Københavns Universitet
- Researcher, Cecilia Samieri, Bordeaux Population Health research center and University of Bordeaux
- Professor, André Scherag, Jena University Hospital
- Professor, Vivi Schlünssen, Aarhus University
- Associate Research Professor, Michelle Turner, Barcelona Institute for Global Health
- Professor, Kate Northstone, University of Bristol
- Professor, Matthias Schwannauer, The University of Edinburgh

Life04_23:

- Head of Applied Computational Genomics, Maria Anisimova, Zurich University of Applied Sciences ZHAW
- Professor, Sofia Consuegra del Olmo, Swansea University
- Senior lecturer, Konrad Lohse, University of Edinburgh
- Researcher, Felix Mark, Alfred Wegener Institute
- Senior Lecturer, Kevin Parsons, University of Glasgow
- Group Leader, Alvaro San Millan, National Center for Biotechnology (CSIC)
- Associate Professor, Marta Szulkin, University of Warsaw
- Associate Professor, John Fitzpatrick, Stockholms universitet - SU
- Professor, Simone Immler, University of East Anglia
- Henry Dale Fellow, Lucy Weinert, Cambridge University

Life05_23:

- Associate Professor, Sarah Astill, University of Leeds
- Professor, Stéphane Baudry, Université libre de Bruxelles
- Professor, Elling Bere, University of Agder
- Professor, Karen Birch, University of Leeds
- Lecturer, Adam Evans, Københavns Universitet
- Professor, Klavs Madsen, Norwegian School of Sport Sciences
- Professor, Evert Verhagen, Amsterdam UMC
- Professor, Pamela Wicker, Bielefeld University
- Senior Lecturer, Samantha Winter, Loughborough University
- Associate Professor, Colin Moran, University of Stirling
- Professor, Francisco Javier Alonso Sanchez, University of Extremadura
- Clinical Professor and Consultant Physician, Therese Cooney, University College Dublin

Life06_23:

- Professor, Marc Dionne, Imperial College London
- CRUK Clinician Scientist, Senior Research Fellow, Ehsan Ghorani, Imperial College London
- Professor, Jean-Luc Immler, University of Strasbourg
- Professor, David Jackson, University of Oxford
- Professor, Sophia N Karagiannis, King's College London
- Professor, Vivianne Malmström, Karolinska Institutet
- Professor, Anders Woetmann, Københavns Universitet
- Group Leader, Adrian Liston, Babraham Institute

Life07_23:

- Professor, Jane Langdale, University of Oxford, Department of Plant Sciences
- Reader, Alistair McCormick, University of Edinburgh
- Professor, Lene Rostgaard Nielsen, Københavns Universitet
- Professor, Silvia Perotto, Turin University
- Professor, Dietmar Quandt, University of Bonn
- Director of Department, Michael Schloter, Helmholtz Zentrum Muenchen; Department for Environmental Genomics
- Directeur de recherche, Anja Krieger-Liszkay, CNRS
- Director of Department, Paul Schulze-Lefert, Max Planck Institute
- Research group leader, Pilar Cubas, Centro Nacional de Biotecnología
- Associate professor, Hongli Zhu, Northeastern University

Life08_23:

- Associate Professor, Claire Edwards, University of Oxford
- Clinical Chair in Anaesthesia, Patrice Forget, University of Aberdeen
- Professor, Diego Kyburz, University Hospital of Basel, Switzerland
- Professor, Tomas Wester, Karolinska Institutet
- Associate Professor, Janine Post, University of Twente
- Professor, Simon Priestnall, The Royal Veterinary College
- Professor, Francesco D'Aiuto, UCL Eastman Dental Institute and Hospital
- Professor, Moustapha Kassem, University of Southern Denmark
- Professor, Wiro Niessen, Erasmus MC - University Medical Center Rotterdam
- Professor, Margaret Sällberg Chen, Karolinska Institutet
- Professor, Arne Östman, Karolinska Institutet

Life09_23:

- Post-doctoral researcher, Núria Aquilué, Forest Sciences and Technology Centre of Catalonia
- Professor, Christoph Kleinn, Georg-August-Universität Göttingen
- Professor, Anna Lawrence, University of the Highlands and Islands
- Professor, Paloma Ruiz-Benito, Universidad de Alcalá
- Associate Professor, Georg Wohlfahrt, University of Innsbruck
- Professor, Martin Lukac, University of Reading
- Professor, Frits Mohren, Wageningen University

Life10_23:

- Professor, David Brooks, University of Aarhus
- Professor, Philip Cowen, University of Oxford
- Associate Director, Fleur Howells, University of Cape Town
- Professor, Jochen Klein, Goethe University
- Professor, Pieter Medendorp, Radboud University Nijmegen
- Professor, Ana Maria Sebastiao, University of Lisbon
- Professor, Evelyne Sernagor, Newcastle University
- Group leader, Nicolas Vitale, CNRS
- Head of Department, Elisa Zanier, Mario Negri Institute for Pharmacological Research
- Group leader, Vania Broccoli, San Raffaele Scientific Institute

- Research Director, REVEKA MATSA, Hellenic Pasteur Institute
- Professor, Douglas Armstrong, University of Edinburgh
- Reader in Biomechanics, Matthew Pain, Loughborough University,
- Professor, Victoria Southgate, Københavns Universitet

Life11_23:

- Professor, Filipe Cabreiro, University of Köln
- Associate professor, Etto Eringa, Amsterdam University Medical Centre
- Professor, Jingyuan Fu, University Medical Center Groningen
- Senior Researcher/group leader, Antje Garten, Leipzig University
- Professor, Paolo Parini, Karolinska Institutet
- Professor, John Petrie, University of Glasgow
- Professor, Christine Edwards, University of Glasgow
- Research Group Leader/ Deputy Director, Siegfried Ussar, Helmholtz Center Munich
- Professor, Daniel Baumgart, Humboldt-University of Berlin
- Associate Professor, Petter Bjornstad, University of Colorado School of Medicine
- Professor, Daniel Dietrich, University of Konstanz

Life12_23:

- Professor, Francesca Baldelli Bombelli, Politecnico di Milano
- CNRS Research Director, PI, Cyrille Botté, CNRS
- Associate Professor, Agnieszka Bronowska, Newcastle University
- Professor, Nils Faergeman, University of Southern Denmark
- Professor, Gregor Fuhrmann, Friedrich-Alexander-University Erlangen-Nürnberg
- Associate Professor, Volker Lauschke, Karolinska Institutet
- Senior Group Leader, Angeliki Malliri, University of Manchester
- Associate Professor, Marjetka Podobnik, National Institute of Chemistry
- Head of the department, Theresia Stradal, Helmholtz Centre for Infection Research
- Professor, Susana Andrade, University of Freiburg
- Professor, Robert Ford, University of Manchester
- Professor, Andrew Wood, Australian Centre for RF Bioeffects Research

Life13_23:

- Científico titular, Estela Area-Gomez, Spanish National Council of Research
- Associate Professor, Colin Crump, Cambridge University
- Professor, Li Deng, Technical University of Munich and Helmholtz Centre Munich
- Group Leader, Reini Fernandez de Luco, Institut Curie
- Associate Professor, Elena Herrera Carrillo, Amsterdam UMC
- Lecturer, David J Hughes, University of St Andrews
- Professor, Juanma Vaquerizas, MRC London Institute of Medical Sciences
- Professor, Francesco Cecconi, Danish Cancer Society
- Professor, Nico Dantuma, Karolinska Institutet
- DR, Juan Reguera, INSERM

- Professor, Bernadett Weinzierl, University of Vienna, Faculty of Physics
- Professor, Trude Storelvmo, Universitetet i Oslo - UiO
- University Professor, Mihalis Vrekoussis, University of Bremen, Germany
- Department Head, Scott Collis, Argonne National Laboratory
- Research Assistant, Jorge Gil, Chalmers University of Technology

Biomass Conversion and Biomass based Products review panel:

- Principal Researcher, Carmen Sofia Rocha Freire, University of Aveiro
- Principal Researcher, Jalel Labidi, University of the Basque Country
- Docent, Wolfgang Falk Liebner, University of Natural Resources and Life Sciences, Vienna
- Scientist, Gilberto Siqueira, Empa - Swiss Federal Laboratories for Materials Science and Technology
- Professor, Naceur Belgacem, University Grenoble Alpes

Biomaterials, biotechnology, and biological physics and chemistry review panel:

- Professor, Leif Eriksson, University of Gothenburg
- Associate Professor, Nicholas Evans, University of Southampton
- Adjunct Professor, Sandrine Gerber, Ecole Polytechnique Fédérale de Lausanne
- Professor, Chris Lorenz, King's College London
- Professor, Pedro Baptista, Universidade NOVA de Lisboa
- Professor, Carmen Bartic, KU Leuven

Biomedical engineering review panel:

- Deputy Director, Gereon Hüttmann, University of Lübeck
- Professor, Daniele Marinazzo, Ghent University
- University Professor, Jürgen Reichenbach, University Hospital Jena, Friedrich-Schiller University Jena
- Professor, Andrés Santos, Universidad Politécnica de Madrid
- Assistant Professor, Uwe Wolfram, Heriot-Watt University,
- Associate Professor, Hayriye Cagnan, University of Oxford
- Professor, Antonio Giovanni Pifferi, Politecnico di Milano
- Professor, Valerie Speirs, University of Aberdeen

Chemical and Environmental Engineering review panel:

- Professor, Jorge Bedia, Autonomous University of Madrid
- Professor, Joeri Denayer, Vrije Universiteit Brussel
- Associate Professor, Adrián Silva, University of Porto
- Professor, Chedly Tizaoui, Swansea University
- Professor, George Kyzas, International Hellenic University

Chemistry 1 review panel:

- Professor, Vinzenz Brendler, Helmholtz-Zentrum Dresden-Rossendorf e.V.
- Professor, Christian Durante, Università degli Studi di Padova
- Professor, Berta Fernández Rodríguez, University of Santiago de Compostela
- Senior Researcher, Cecilia Jimenez-Jorquera, Consejo Superior de Investigaciones Científicas (CSIC)
- Professor, Ulla Gro Nielsen, Syddansk Universitet - SDU
- Professor, Mathias Nilsson, University of Manchester
- Professor, Danny O'Hare, Imperial College London
- Professor, Burkhard König, Universität Regensburg
- Professor, Kalaivanan Nagarajan, Tata Institute of Fundamental Research Mumbai

Chemistry 2 review panel:

- Professor, Adolf Gogoll, Uppsala University
- Professor, Pedro Merino, University of Zaragoza
- Professor, Maria Nowakowska, Jagiellonian University
- Professor, Carl Redshaw, University of Hull
- Professor, Detlef Gabel, Constructor University Bremen
- Professor, Minna Hakkarainen, KTH Royal Institute of Technology

Communications Engineering and Electronics review panel:

- Professor, Hanna Bogucka, Poznan University of Technology
- Professor, Torsten Braun, Universität Bern
- Professor, Angela Doufexi, University of Bristol
- Associate Professor, Gianluigi Ferrari, University of Parma
- Professor, David Grace, University of York
- Head of Dept, Thomas Haustein, Fraunhofer HHI
- Associate Professor, Nicola Marchetti, Trinity College Dublin
- Director of Research, Sabina Spiga, Italian National research council
- Professor, Ahmet Cagri Ulusoy, Karlsruhe Institute of Technology
- Professor, Liesbet Van der Perre, KU Leuven

Computer Science and Computational Data Analysis:

- Associate Professor, Stefano Berretti, University of Firenze
- Professor, David Wolfe Corne, Heriot-Watt University
- Senior Researcher, Marko Grobelnik, Jozef Stefan Institute
- Professor, Thomas Hain, University of Sheffield
- Professor, Christian Igel, Københavns Universitet
- Professor, Dunja Mladenic, Jozef Stefan Institute
- Professor, Toon Calders, University of Antwerp

Construction engineering and built environment review panel:

- Doctor, Frédéric Bosché, University of Edinburgh
- Professor, Timo Hartmann, Technische Universität Berlin
- Professor, Stephen Hicks, University of Warwick
- Professor, Thomas Olofsson, Luleå University of Technology
- Professor, Angela Sasic Kalagasidis, Chalmers University of Technology

Earth Sciences review panel:

- Professor, Robert Bingham, The University of Edinburgh
- Professor, Thomas Blenkinsop, Cardiff University
- Researcher, Maria Teresa Condesso de Melo, Instituto Superior Técnico (IST)
- Professor, Olaf Eisen, Alfred Wegener Institute Helmholtz Center for Polar and Marine Research
- Dean of Research, Joseph Holden, University of Leeds
- Professor, Stephane Mazzotti, University of Montpellier
- Professor, Martin Palmer, University of Southampton
- Professor, Kristalina Stoykova, Bulgarian Academy of Sciences, Geological Institute
- Professor, Chong-Yu Xu, Universitetet i Oslo - UiO

- Professor, David Bruhn, Delft University of Technology
- Professor, Ahmed El-Mowafy, Curtin University
- Professor, John Lenhart, Ohio State University
- Researcher, Giorgio Senesi, CNR - Institute for Plasma Science and Technology (ISTP) Bari seat

Electric power and energy engineering review panel:

- Professor, Andrew Cruden, University of Southampton
- Professor, Hannah Daly, University College Cork
- Associate Professor, Soulard Juliette, University of Warwick
- Professor, Gareth Taylor, Brunel University London
- Professor, Lieven Vandeveld, Ghent University
- Senior Scientist, Edmund Widl, AIT Austrian Institute of Technology
- Professor, Douglas Aaron, University of Tennessee
- Professor, Andrea Cavallini, University of Bologna
- Professor, Gian Carlo Montanari, Florida State University

Energy and Process Engineering review panel:

- Professor, Rakesh Mishra, University of Huddersfield
- University Professor, Christoph Pfeifer, University of Natural Resources and Life Sciences, Vienna
- Lecturer, Flemming J. Frandsen, Technical University of Denmark

Materials Science and Engineering A:

- Senior Lecturer, John Buckeridge, London South Bank University
- Associate Professor, Susana Cardoso de Freitas, INESC MICROSYSTEMAS E NANOTECHNOLOGIAS
- Professor, Ellen Moons, Karlstad University
- Professor, Paulina Plochocka, CNRS
- Director of Research, Claudia Wiemer, National Research Council of Italy
- CNRS Directeur de Recherche, Chris Ewels, CNRS - Institute of Materials Nantes

Materials Science and Engineering B:

- Tenured Researcher, Ilker Bayer, Italian Institute of Technology
- Research Fellow, Nerea Casado Perez, POLYMAT, University of the Basque Country UPV/EHU
- Researcher, Valentina Medri, National Research Council of Italy- Institute of Science and Technology for Ceramics (CNR-ISTEC)
- Professor, Vincent Nierstrasz, Högskolan i Borås / University of Borås
- Professor, Lisbeth Ottosen, Technical University of Denmark
- Professor, Eliana Quartarone, Università degli Studi di Pavia
- Chair of Interfacial Science & Engineering, Glen McHale, The University of Edinburgh
- Professor, Thomas Pederson, University West
- Professor, Julia Yeomans, The Rudolf Peierls Centre for Theoretical Physics

Mathematics review panel:

- Professor, Larisa Beilina, Göteborgs universitet

- Associate professor, Cristina Camara, Instituto Superior Tecnico-University of Lisbon
- Professor, Manfred Droste, University of Leipzig
- Professor, Dietrich Kuske, Technische Universität Ilmenau
- Professor, Matteo Novaga, University of Pisa
- Professor, Sergiy Pereverzyev, Johann Radon Institute (RICAM), Austrian Academy of Sciences
- Professor, Oleg Pikhurko, University of Warwick
- Professor, Aristomenis Siskakis, Aristotle University of Thessaloniki
- Professor, Ian Strachan, University of Glasgow
- Associate Professor, Elena Villa, Università degli Studi di Milano
- Senior Lecturer, Sophie Huczynska, University of St Andrews
- Professor, Shahn Majid, Queen Mary University of London

Mechanical Engineering:

- Professor, Tarak Ben Zineb, Université de Lorraine
- Professor, Katrin Ellermann, Graz University of Technology
- Professor, Ian Gibson, University of Twente
- Head Advanced Processing/AM of Metals, Christian Leinenbach, Empa-Swiss Federal Laboratories for Material Science and Technology
- Professor, Andreas Menzel, TU Dortmund University
- Professor, Paulo Oliveira, Technical University of Lisbon
- Research Fellow, Tommaso Scalici, Queen's University Belfast
- Professor, Bjorn Skallerud, Norwegian University of Science and Technology
- Professor, Matthew Studley, University of the West of England
- Professor, Michael Sutcliffe, University of Cambridge
- Professor, Christina Völlmecke, TU Berlin
- Professor, Marc Bernacki, Mines ParisTech
- Professor, Karsten Berns, TU Kaiserslautern
- Professor, Kajsa Samuelsson, Luleå University of Technology

Optics and Photonics review panel:

- Professor, Tatiana Alieva, Universidad Complutense de Madrid
- Professor, Mariangela Gioannini, Dept. Electronics and Telecommunication, Politecnico di Torino
- Professor, Roberta Ramponi, Politecnico di Milano
- Professor, Stephen Sweeney, University of Glasgow
- Lecturer, Group leader, Martijn Wubs, Technical University of Denmark
- Professor, Costantino De Angelis, University of Brescia
- Professor, Nicolae Panoiu, University College London

Physics 1 review panel:

- Emeritus, Wilfried Buchmuller, DESY
- Professor, Else Lytken, Lunds universitet
- Staff scientist, Teresa Marrodán Undagoitia, Max Planck Institute
- Professor, Michael Spannowsky, University of Durham
- Docent, Andreas Heinz, Chalmers University of Technology
- Professor, Andreas Zilges, University of Köln

- Professor, Gianluca Colò, Università degli Studi di Milano and I.N.F.N

Physics 2 review panel:

- Professor, Gerardo Adesso, University of Nottingham
- Professor, Vincenzo Fiorentini, Univ. Cagliari
- Associate professor, Jelena Klinovaja, University of Basel
- Associate Professor, Jill Miwa, Aarhus University
- Professor, Elisabetta Paladino, Università di Catania,
- Scientific Researcher, Matias Urdampilleta, CNRS
- Professor, Group leader, Sergio Valenzuela, Catalan Institute of Nanoscience and Nanotechnology (ICN2)
- Professor, Marco Affronte, Università di Modena e Reggio Emilia
- Professor, Miguel Marques, Martin-Luther University of Halle-Wittenberg
- Professor, Guglielmo Maria Lucio Tino, Università degli Studi di Firenze

Software and Systems Development:

- Associate Professor, Amel Bennaceur, The Open University
- Research director, Véronique Cortier, CNRS
- CIO Austrian Government, Reinhard Posch, Ministry of Finance Austria
- Professor, Alexander Pretschner, Technische Universität München
- Professor, Helen Sharp, The Open University
- Emeritus Professor, Morris Sloman, Imperial College London
- Research Scientist, Helge Spieker, Simula Research Laboratory
- Head of research unit, Elisabetta Farella, Fondazione Bruno Kessler
- Professor, Martin Shepperd, Brunel University London

Space Science review panel:
