Huippuyksikköohjelma 2018-2025 arvioinnissa käytetyt asiantuntijat Akatemian tietojärjestelmässä olevien tietojen mukaan

Huippuyksikköohjelma 2018-2025 arvioinnissa käyttämiä asiantuntijoita oli yhteensä 33.

- Professor, Moustafa Abdel-Maksoud, Hamburg University of Technology
- Professor, Stefan Berger, Ruhr University Bochum
- Professor, Ioannis Dagalos, University of Athens
- Professor, Simone Dalla Bella, Warsaw University
- Professor, Christina Eckes, University of Amsterdam
- Professor, Mary Evans, The London School of Economics and Political Science
- Professor, Elias Fattal, University of Paris Sud
- Professor, Des Freedman Goldsmiths, University of London
- Professor, Gundolf S. Freyermuth, TH Köln
- Professor, Dirk Grijpma, University of Twente, Department of Biomaterials Science and Technology
- Professor, William C Hahn, Dana-Farber Cancer Institute
- Professor, Jacob Hanna, Weizmann Institute of Science
- Professor, Juraj Hromkovic, ETH Zurich
- Professor, Beat Imhof, Centre Medical Universitaire
- Professor, Paul Louis Iske, University of Maastricht
- Professor, Fedor Jelezko, Ulm University
- Professor, Florian Kronenberg, Medical University of Innsbruck
- Professor, Karen Morrow, Swansea University
- Professor, Peter Noack, Friedrich Schiller University Jena
- Professor, Paul Nolan, Department of Physics, Oliver Lodge Laboratory
- Professor, Michael Ritchie, University of Andrews
- Professor, Suzanne Romaine, Merton College
- Professor, Inger-Johanne Sand, University of Oslo
- Professor, Peter Simons, Trinity College Dublin
- Professor, Mauricio Suárez, Complutense University
- Professor, Maryam Tabrizian, McGill University_Biomedical Engineering
- Professor, Michel Tanret, Ghent University
- Professor, Peter Wagner, University of Barcelona
- Professor, Willem F.C. Verschoor, Vrije Universiteit Amsterdam
- Professor, Sue White, The University of Sheffield
- Professor, Ray Wilkinson, The University of Sheffield

2 asiantuntijaa ei halunnut nimeään julkisuuteen.
