

STRATEGIC RESEARCH COUNCIL – REVIEWERS 2019

Reviewers used by the Strategic Research Council during the four strategic research calls opened in December 2018 and funded in June 2019. Data retrieved from the Academy of Finland’s information systems.

In 12 review panels, Strategic Research Council enlisted a total of 67 reviewers to review applications submitted in these calls. 19 of these reviewers participated in both review stages in the particular call. Out of 86 panel member positions in 12 review panels, 40 were filled by women. Seven panels were chaired by women. The reviewers work in altogether 50 organizations, spread to 14 countries.
